

TROPICS INSPIRED TEXTILES

exploring themes

When designing textiles, a jungle theme offers a rich exploration of lush flora and exotic fauna.

color palette

Incorporating vibrant greens, earthy browns, and pops of bold colors captures the essence of the jungle.

texture & patterns

Utilizing textured fabrics and animal prints adds depth and character to the textile designs.

WILD VINE INSPIRED CUSHION

This mood board is inspired by the lush jungle theme called "Wild Vine." It encapsulates the vibrant the essence of the jungle with vivid greenery and intertwining vines.

WILD VINE: EXPLORING THE TROPICS

JUNGLE TEXTILES	Textiles like cushions and runners inspired by the lush, vibrant jungle environment.
WILDLIFE INFLUENCE	Reflecting the influence of wildlife through prints and patterns.
NATURE ELEMENTS	Incorporating natural elements such as leaves and vines into the design.

ELEMENTS**

Incorporating natural elements such as leaves and vines into the design.

DESIGNING RUNNERS ON "WILD VINE" THEME

comfort & softness

For residential runners, I prioritize comfort and softness, using plush, high quality materials that feel luxurious underfoot.

timeless designs

My residential runner designs feature classic, timeless patterns that can easily integrate into a variety of home decor styles.

personalized touches

Clients can work with me to customize the color, pattern, and size of their runners, ensuring a perfect fit for their unique living spaces.
