

NORKI

niva

PROJECT 3

Poetry Of Paws

This project began with a quiet moment watching my friend's cat sleep, his paws tucked gently beneath layers of soft fur.

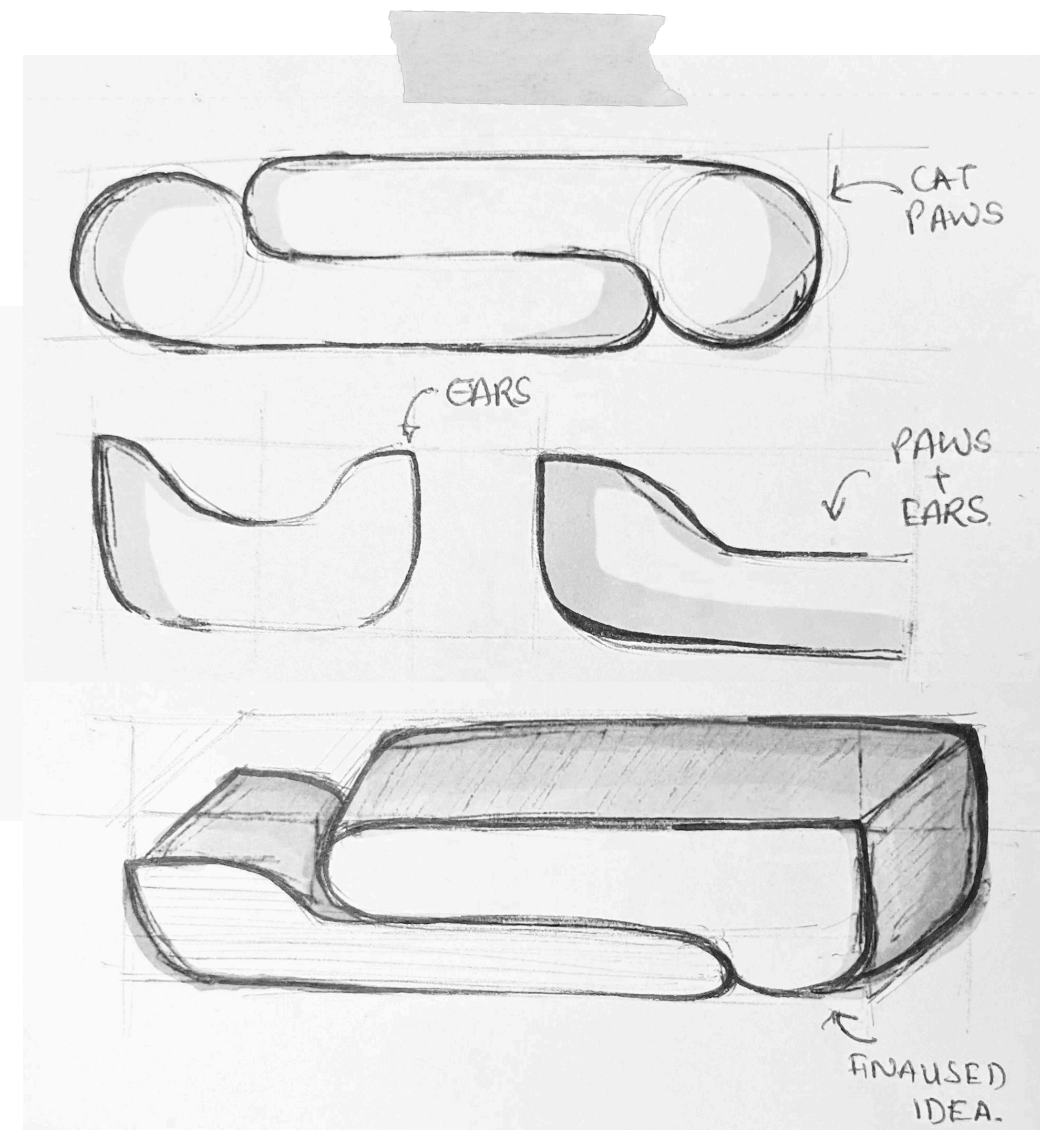

Norki's expertise

Specialises in handcrafted luxury pieces made from **natural furs and hides**, from cushions and poufs to benches

Organic Poise

Niva's form draws from the rounded geometry of **interlocking paws**, balanced with subtle, **ear-inspired accents**

form explorations

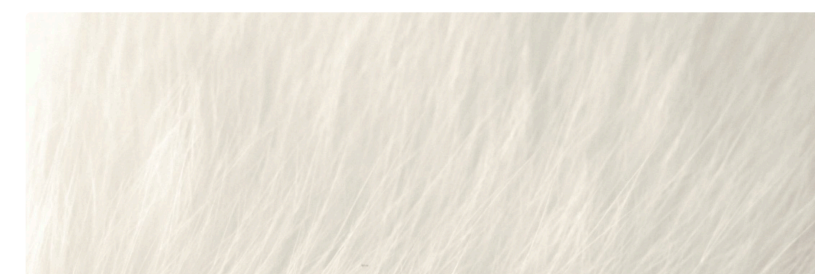

prototype paper model

Tactile richness

Inspired by the plush tactility of feline fur, the material palette introduces **softness, lightness and warmth**

Ivory Icelandic sheepskin by Norki

Oak13.002 Natural Veneer by Tabu

niva

Named after the serene
openness of a meadow,
Niva brings a **quiet softness to
hallways and bedrooms.**
