

A wide-angle photograph of a traditional Rajasthani Haveli courtyard at dusk. The central feature is a long, narrow reflecting pool that mirrors the sky and the surrounding architecture. The courtyard is paved with light-colored stone tiles. On either side of the pool, there are small, ornate lanterns and potted plants. The background shows the grand facade of the Haveli, featuring a central arched entrance and a crenellated roofline. The sky is a mix of soft pinks and oranges, indicating the time is either dawn or dusk. The overall atmosphere is serene and majestic.

# FOYER

**Subject-** A warm and elegant Rajasthani-style foyer that blends traditional architectural elements with welcoming décor to create a graceful entrance.

**Style-** Inspired by classic haveli architecture, featuring arched doorways, jaali screens, carved wood details, and brass accents, while maintaining a balanced and uncluttered modern look.

**Materials-** Earth-toned plaster walls with subtle patterns, terracotta or stone flooring with geometric borders, carved teak or sheesham woodwork, and décor elements like brass lanterns, clay pots, and a traditional rug.

**Lighting / Mood-** Soft, warm lighting from pendant lamps or wall sconces enhances the architectural details, while natural light filters through jaali screens to create a calm and inviting ambiance.

**Camera-** Front-facing view of the arched foyer entrance, with patterned flooring leading inward and a carved wooden console framed by plants for a balanced composition.

# LOUNGE

**Subject-** A warm and inviting lounge in a Rajasthani haveli, blending traditional architecture with refined decor. The space is defined by multiple arches, an intricately decorated doorway, and a layout that balances openness with artistic richness.

**Style-** Rooted in classic haveli design, the lounge features wide, slightly pointed archways, symmetrical layout, and soft heritage-inspired decor. Elements like mirrors, potted plants, and vases enhance the visual depth and charm.

**Materials-** Off-white plaster or limewash walls create a bright and airy feel, while checked tiles or soft earthy stone flooring add subtle pattern and warmth. Intricately carved wood or stone doors and arches enhance the traditional character, complemented by wooden furniture, brass accents, ceramic vases, and an ornate mirror. Potted greenery adds freshness and balance to the space.

**Lighting / Mood-** Bright by day with natural light through arches; chandeliers and sconces create a warm, regal mood by night.

**Camera-** A centered view capturing framed arches, checked flooring, and a decorative doorway or mirror, with a chandelier above anchoring the composition in elegance and harmony.

# DINNING AREA

**Subject-** A dining space in a Rajasthani haveli-inspired interior, blending traditional architecture with Elegant, functional design. At its heart is a wooden dining table with six intricately carved chairs, set in a naturally bright and welcoming setting.

**Style-** Rich in heritage, the design features diamond-patterned chair backs, ornate wall paneling, and ceiling details. Two armchairs at each end add a regal touch, enhanced by arches, columns, and jaali work for authentic haveli character.

**Materials-** Solid teak or sheesham furniture with fine carvings adds richness to the space. Light marble or stone flooring provides an elegant base, while wood paneling, textured plaster, frescoes, and exposed beams enhance the traditional character. A centrally suspended traditional chandelier completes the classic haveli-inspired ambiance.

**Lighting / Mood-** Natural daylight streams through large windows; warm chandeliers and sconces set an inviting mood by night.

**Camera-** The camera captures a symmetrical front view of the table with three side chairs and two armchairs, framed by arched backgrounds and a chandelier centered overhead, emphasizing balance and elegance.
