2025

CONTEMPORARY BEDROOM

*Designed with
warm tones and
clean detailing to
create a calm,
contemporary
retreat*

Bedroom

Designed as a private retreat where simplicity, proportion, and thoughtful detailing come together to create a sense of comfort and balance.

TV UNIT

Designed as a seamless extension of the bedroom, the TV unit combines functionality, integrated storage, and refined detailing to create a balanced focal point.

WALK IN WARDROBE

*Planned to offer
an intuitive and
organized storage
experience while
maintaining a
seamless
integration with
the overall
interior.*

BEDROOM

*Designed to evoke
a sense of calm
through balanced
proportions,
subtle textures,
and a refined
contemporary
aesthetic.*

LIVING AREA

*An open and
inviting living space
designed to
encourage comfort,
connection, and a
seamless flow
between function
and aesthetics.*

TV UNIT

Designed as the focal point of the living area, the TV unit combines clean detailing, integrated storage, and a refined material palette.

RESEDENTIAL EXTERIOR

Defined by clean geometry and a restrained material palette, the façade reflects a contemporary approach to residential design.

SWIMMING POOL

Designed as a tranquil indoor retreat, the pool area combines elegant materials, soft lighting, and clean architectural lines to create a calming wellness experience.

Modern Kitchen

Designed to balance functionality and aesthetics, the kitchen features efficient planning, clean lines, and a cohesive material palette.

Kitchen Perspective

*Natural textures,
balanced lighting,
and carefully
curated finishes
come together to
create a warm
and inviting
cooking
environment*
